**Declaration B**

I am registering someone else as a volunteer.

I, [Full Name], residing at [Full Address], in [County/Town/City], [Postcode], [Country], declare in my own knowledge that the details provided are true and that I have read and understood the Volunteer registration form, and I agree to its terms.

I understand that registration is voluntary, and that my details and the personal details of the registered person will not be shared with third parties.

I give permission for approved researchers, NHS staff working at partner organisations, or agencies working on behalf of Join Dementia Research to use and share identifiable information about the registered person for the purposes of delivering Join Dementia Research.

I give permission for approved researchers and NHS staff to access the relevant set of the registered person’s healthcare records for the purpose of matching them to research studies.

I give permission for approved researchers and NHS staff, working at partner organisations or agencies working on behalf of Join Dementia Research to view and use the registered person’s information stored on the system, for the purposes of delivering Join Dementia Research.

If you are signing up yourself as a volunteer, you can register the volunteer as described above. You can read Declaration B on page 7 carefully.

If you do not hold this, we will only do so if the registered person has signed the form themselves or if one of our charity helpdesks is able to confirm over the phone that the volunteer has signed the form themselves.

I confirm that I have read and understood the Volunteer registration form, and I agree to its terms.

I understand that registration is voluntary, and that my details and the personal details of the registered person will not be shared with third parties.

I give permission for approved researchers, NHS staff working at partner organisations, or agencies working on behalf of Join Dementia Research to use and share identifiable information about the registered person for the purposes of delivering Join Dementia Research.

I give permission for approved researchers and NHS staff to access the relevant set of the registered person’s healthcare records for the purpose of matching them to research studies.

I give permission for approved researchers and NHS staff, working at partner organisations or agencies working on behalf of Join Dementia Research to view and use the registered person’s information stored on the system, for the purposes of delivering Join Dementia Research.

**Why sign up?**

Everybody should have the chance to find and take part in dementia research.

Join Dementia Research provides that chance, and can connect you to suitable studies taking place across the country.

By registering, you can play an important role in finding new ways to diagnose, treat, manage and care for people affected by dementia.

Register today. Complete the form inside, call one of our helplines or visit: www.joindementiaresearch.nihr.ac.uk

**Register your details**

Match to UK studies you may be able to take part in

Talk to researchers about your study

Decide whether or not you want to take part
